Introductory Statement

God has never created anything without a purpose. The fact that you're alive means he made you for his purpose. The greatest thrill and the greatest adventure in life is being used by God to fulfill the purpose for which you were created. If you have ever felt the feeling of being used by God, you know that absolutely nothing else in the universe feels like that. The thrill of saying this is what I was made to do, this is what I'm wired to do. You feel God's presence and you feel his glory and you feel his smile on your life.

- The theme of being _____ so God can use you, so God can bless you, is all through the Bible.
- As your pastor I want to help you experience the life you were _____ to live.

SEND ME!

"God, send me anywhere, only go with me. Lay any burden on me, only sustain me. And sever any tie in my heart except the tie that binds my heart to Yours."
