*How Do You See Others?*

**Matthew 7:1-5 NLT**

***"Do not judge others, and you will not be judged. For you will be treated as you treat others. The standard you use in judging is the standard by which you will be judged. And why worry about a speck in your friend's eye when you have a log in your own? How can you think of saying to your friend, Let me help you get rid of that speck in your eye,' when you cannot see past the log in your own eye? Hypocrite! First get rid of the log in your own eye; then you will see well enough to deal with the speck in your friend's eye."***

**Introductory Statement**

***"Don't judge!" is said by people who do not like it when we dare to have a Christian worldview. In fact, I have found that the most narrow-minded people are those who claim to be the most broad-minded. Those who claim to be the most accepting are often the least accepting. Because when a Christian has an opinion, a nonbeliever will say, "How dare you say that! Who are you to judge?"***
